

Growing Abundance is Hiring....

The Growing Abundance Project Committee are excited to invite expressions of interest for a contract Funding Coordinator.

A cornerstone of the Growing Abundance Project has been the Harvest Project, which sees volunteers harvesting excess food from local orchards and yards and distributing it to community members and local organisations.

Fundraising Coordinator

The Fundraising Coordinator is a work from home contractor position, and is responsible for fundraising and organisational development activities.

Responsibilities include: grant research and submission, strategic development of the organization, project evaluation, supporting Harvest Coordinator and harvest activities as required. Assistance and direction from the committee will be provided.

Role Requirements:

- *Professional Writing and Communications Experience
- *Demonstrated successful grant writing experience for the not for profit sector
- *Knowledge of community grant or philanthropic opportunities highly regarded
- *Effective Time Management Skills, Organisational Skills, and proven ability to manage a number of tasks concurrently
- *Ability to work autonomously

Please send expressions of interest, including responses to Role Requirements on a cover letter, a CV including two professional referees to:

hello@growingabundance.org.au

*\$40 per hour, with some allowance for phone, internet and travel costs.

Closing date for expressions of interest: Friday 10th March

Shortlisted Candidates Notified: Monday 12th March

Interview for Shortlisted Candidates: Times TBC
